Purposes for the processing of personal data, as well as the legal basis for the processing

We only process your data for the purpose of establishing, handling, administrating a business relationship or executing a transaction and for implementing pre-contractual measures.

The legal basis for the processing of data is Article 6 Paragraph 1 lit. b of the GDPR.

Categories of personal data that are processed

Personal data is all information, which relates to an identified or identifiable natural person. Various categories of personal data are processed for establishing, handling, administrating a business relationship or executing a transaction and for implementing pre-contractual measures. Examples of these include name, address, communication data, etc. In the event of special categories of personal data being processed, this shall exclusively take place with your explicit consent. Among other things, such involve health-related data. The legal basis for this processing results

from Article 9 Paragraph 2 lit. a of the GDPR. In certain cases, processing of special categories of personal data is necessary for the assertion, exercise or defense of legal rights. The relevant legal basis for this processing is Article 9 Paragraph 2 lit. f of the GDPR.

Recipients of your personal data

Your personal data shall only be passed on to third parties with your consent or if there is a legal justification for consent. In addition, our employees are obligated to confidentiality and compliance with the provisions of data protection legislation.

Transmission of your personal data to state institutions and authorities who are entitled to receive such information shall only take place within the framework of the relevant legislation, or if we are obligated to do so due to an official or judicial decision.

Particularly within the scope of establishing, handling, administrating a business relationship or executing a transaction and for implementing pre-contractual measures, it may be necessary to transmit your data to other locations or receive data from these locations. These involve

- affiliated companies,
- other contractors of our company,
- technical service providers and
- IT support service providers.

Your security

We take technical and organizational measures to protect your data against unauthorized access, loss, manipulation and destruction. Our security measures are constantly being updated in accordance with technological development.

Storage duration

Your personal data is stored for the purpose of establishing, handling, administrating a business relationship or executing a transaction and for implementing pre-contractual measures.

Provided that your personal data is no longer necessary for these purposes, it will be automatically deleted.

Establishing, handling, administrating a business relationship or executing a transaction and implementing pre-contractual measures include, in particular, the retention of documents and information within the framework of the statutory retention periods (up to ten years).

Rights of the persons affected

You have a right to access information about your stored personal data at any time. According to Articles 16 to 20 of the GDPR, you also have the right to the correction of inaccurate data, the right to the deletion of your personal data, the right to restrict the processing of your personal data, and the right to data portability.

Right to revoke consent

You have the right to revoke your given consent at any time. This revocation shall apply with immediate future effect. The lawfulness of any processing carried out until the moment of revocation on the basis of consent shall not be affected by the revocation.

Right to complain

If you are of the opinion that the processing of your personal data constitutes a violation of the GDPR, then you have the right to lodge a complaint with a supervisory authority.

Provision of your personal data

Without processing your personal data, it is not possible for us to establish, handle, and administrate a business relationship or to execute a transaction and to implement pre-contractual measures. This is why it is necessary to disclose your personal data.

Sources from which your personal data originate

If we have not collected your personal data directly from you, such data originate from the following sources:

- Your employer
- Technical service providers
- Sources accessible to the public (e. g. official register, address directories, internet).

Questions, suggestions, complaints

If you have additional questions about the data protection information and the processing of your personal data, you can contact us or our data protection officer directly using the contact details specified above.
